This is the one great fuseting of the year for high school teachers. Dr. David Snedden, commissioner of education from Massachusetts, will make the opening address. W. C. Akers of the New Britain High school is president of the association.

SONS OF VETERANS

PLAN FOR LINCOLN NIGHT

Exercises Will Be Held at Greene ville Congregational Church Sunday

A meeting of the Sedgwick camp.

No. 4, Sons of Veterans, was held in the Buckingham Memorial on Monday evening with the commander.

A. 0. Fairbanks, in the chair. The principal business transacted was regarding the arrangements for the observation of Lipcoln night on Sunday, February 12. The affair will be of a patriotic nature and invitations to attend have been extended to the members of Sedgwick post, G. A. R. Relief Corps and to both companies of the militia. The exercises will be held at the Greeneville Congregational church. Plans have been made for church. Plans have been made for the division encampment and local interest in the organization seems to be on the increase.
Following the business session the remainder of the evening was devoted to a general social hour and whist was enjoyed.

FUNERAL.

John R. Benson. There was a large attendance of friends at the funeral of John R. Ben-son, held from his late residence at 38 School street, at 2.30 o'clock Mon-day afternoon. Rev. Nellson Poe Carey of the Christ Episcopal church officiated. There were best both officiated. There were many beautiful flowers including a form from Wauregan lodge, No. 6, K. of P., of which organization the deceased was for many years a member. He was also a member of the Pythian Sisters. The bearers were William Sisters. The bearers were William Blackburn, S. Bodine, Edwin P. Pratt and S. Mikolasi, all members of Wauregan lodge, Burial was in the Yantic cemetery and Rev. Mr. Carey read a committal service at the grave. Henry Allen & Son had charge of the arrangements.

permanent water supply by a full development of the Stony brook water-shed, and, if such authority be granted by the city, to thereupon call a special meeting of this court of common coun-The above and toregoing is a true copy of a vote passed unanimously at a special meeting of the board of water commissioners of the city of Norwich held Monday afternoon, Feb. 6, 1911.

Attest: GILBERT S. RAYMOND.

Clerk of the Board of Water Commissioners of the City of Norwich. cil to take from the table and duly consider the first resolution above set

forth.

Councilmen Gibert and Worthington asked an explanation when a motion to pass the last two resolutions was made, and Mayor Thayer stated that it was thought they couldn't vote the first resolution lawfully until they had rescinded the vote of 1902. That being done, the council could then approve of the board's action. He explained that the injunction is not removed, but it is not thought they will run counter to it if the city will vote a sum in excess of \$300,000 for the project, the amount stated by the engineers being \$304,000.

Councilman Lang Gave Opinion. Mayor Thayer stated that the executive committee had considered the report, and had Corporation Counsel Fanning frame some resolutions regarding the plan. The mayor explained that in January, 1502, the city meeting voted down the Stony brook plan, but notwithstanding that the council voted to go there and spend \$300,000. Then an injunction was issued to prevent the expediture of the money. There was a long hearing, after which Judge Wheeler changed the injunction somewhat. It enjoins the mayor, council, water board and city treas-

Councilman Lang Gave Opinion. Councilman Lang said the water board voted unanimously in favor of the plan. He further said that he does not think it for the best interest brook project if it cost over \$300,000, and Judge Wheeler made a finding that it would cost over \$300,000. That injunction is in our way now.

It has been thought by the executive committee and corporation counsel that if the city meeting will rescind the vote and authorize the expenditure of an amount over \$300,000 they would not be in contempt or inviolation of the injunction, and would put the water board in a way to furnish the city a permanent supply of water.

Resolutions Presented.

The resolutions were read as follows:

cide.

Mayor Thayer said that he still thought the right thing for the city to do is to go to Pease brook, but rather than to try to suit the views of a few against the many although not out of the woods on the water question, he would rather try to do something and fail than to try to do nothing and succeed. He said he would tavor it, however, for the sake of getting water, although the city thus favors appropriating about as much as to go to Pease ating about as much as to go to Pease

Council is Unanimous. Councilman Lang asked for a rising vote on the resolutions, so that it could go on record. The council unanimously favored the last two resolutions. Councilman Lang said he was glad to have a unanimous vote of the council, on the matter, and the mayor

It was voted that the sum of \$125 be paid to Attorney Albert J. Bailey in behalf of the claim of Adolph Ber-kofsky in seitlement of a claim for

and proper action, render the passage of said resolution by the court of com-mon council in all respects legal. damages Portrait of ex-Mayor Harwood. Mrs. C. L. Harwood and family pre sented a portrait of ex-Mayor Har-wood, by request of the late Mr. Harwood, by request of the late Mr. Har-wood, to the city of Norwich, and a resolution expressing the thanks of the council was passed, to be forward-ed to the givers. The portrait has been hung in the council chamber. Charles A, Hague of New York in-quired if an angineer was needed hars quired if an engineer was needed here for the pumping station and offered several references as to his ability.

More Claims Presented. Gertrude Freeman, through her at-torney, presented a claim for damages as the result of injuries received when as the result of infuries received when a fire alarm wire sagged and hung across a highway Nov. 8, 1910, at 9 p. m., in North Main street, fifty feet north of the United States Finishing company's property. She was riding in a carriage and was caught by the wire and thrown to the ground. It went to the executive committee.

Charles H. Hoxie also made a ciaim for damages received for a defective for damages received for a defective highway in North Main street, oppo-

RESULTS OF FOOD Health and Natural Conditions Come from Right Feeding.

Man, physically, should be like a perfectly regulated machine, each part working easily in its appropriate place. A slight derangement causes undue friction and wear, and frequently ruins the entire system.

A well-known educator of Boston found a way to keep the brain and the body in that harmonious co-operation which makes a joy of living. "Two years ago, "she writes, being in a condition of nervous exhaustion

I resigned my position as teacher which I had held for over 40 years. Since then the entire rest has, of course, been a benefit, but the use of Grape-Nuts has removed one great cause of illness in the past, namely constipation, and its attendant evils. "I generally make my entire break-fast on a raw our hy "I generally make my entire preakfast on a raw egg beaten into four spoonfuls of Grape-Nuts, with a little hot milk or hot water added. I like it extremely, my food assimilates, and my bowels take care of themselves. I find my brain power and physical endurance much greater and I know that the use of the Grape-Nuts has contributed largely to this result.

"It is with feelings of gratitude that I write this testimonial, and trust it may be the means of aiding others in their search for health." Name given by Postum Co., Battle Creek, Mich. Read the little book, "The Road to Wellville," in page. "There's a Rea-
